This is legit.

I'm the original petermary17

And guess what?

This is the last alt.

Fuck it, if the devs don't want, I will not beg more.

Devs will release.

Plailect might have bricked my 3ds but it was my fault in some part.

I'm sorry if I hurt any dev, it's not really their obligation.

And yes, I'm 17 and I'm American, I just wanted to bring attention to as many devs as possible by using bad grammar.

Sorry everyone!

Stay cool! This is the last of me! 🤔📱
